Membership 2007

As a Member of Yerevan United FC you will enjoy lots of special benefits. Check out the choices and make the right one for you. Remember being a registered Member is the best way to support YUFC. Even if you don't attend every game it means you're with us through thick and thin.

Read what the different packages provide. One of the key advantages is that you'll have more information than the walk up supporter. You will also be invited to 'Members only' events throughout the year.
